

Dear Brothers_Dear Church, I come to you humbly before and by the Grace given by Christ Jesus.

A Prayer:

Dear Heavenly Father, I pray that those of whom I address by your will, would receive my heart in what we ask, I pray Heavenly Father that they will receive Your Word in what is already done; I pray Dear Heavenly Father that they will receive your Son for it is your will, and I pray Lord Jesus that we will receive each other as brothers and sisters, and that we will recognize your Work within us/each other to divide the confusion and break the strongholds of our enemy. I pray we will save our people and bring them closer to being like you, our Lord Jesus. I pray this in Jesus Holy Name; Glory be to our God, thank You, Amen,

I come to you in all mercy and peace. I come to you to share what has been laid in my heart from our dear savior and friend JESUS CHRIST. What I have done is to create a website netofprayer.org to make aware to you a situation we have in this world that is directly affecting all of whom we know and Love. I am here to share the direct revelation given through the Staff and the Sword Ministry and those of Gods Watchmen. Many brothers in Christ I bring forward to share with You on this website have had direct revelations from Christ. I know that many of you of whom I address, have also had Christ's direct intervention in Your lives. God's watchmen bring forth the light with the same gospel, just as I know the Lord has used you as well; in many powerful ways. I address with this message first, the ministries sponsored by KSPO, CSN International and oneplace.com. Second and also, the Watchmen and the Church of the Internet.

I address you in the hope, we will become one yoke, in the hope you will share with your congregation the warnings of the Lord as revealed through His Watchmen. It is laid on my heart to ask for a review of the situation, and that you petition JESUS himself directly for an answer. JESUS has laid it in my heart to bring you this revelation that you accept His Apostle, Prophets, Watchmen and stop the division as seen by satan. You hold the candle, and BETHEL is under attack!

JESUS Word to Chuck-JOHNEL,

On July 8, 2001 JESUS spoke to me saying "I SEE YOUR HEARTS, NEITHER DO YOU WANT TO SEE THIS DESTRUCTION BEFALL YOUR COUNTRYMEN MANY WHO ARE BRETHERN, BUT IT IS NOT A DECISION THAT YOU OR WE MAKE, IT IS IN THE HANDS OF THE CHURCH LEADERS AS REPRESENTED BY THE 20 PASTORS." full article <http://issuu.com/netofprayer/docs/standing-aside>

Twenty Pastors decided the destruction of America, of the church. Why because they do not believe in revelations such as these, what's given. Or they hate the messenger? It's my assumption All that is asked is to repent, pray for mercy to negate the threat and share Gods word with the congregation for the same, praying as one. I ask the same question today, WHY? Why would we not take something such as this before JESUS to CONFIRM!

More from Chuck-JOHNEL,

(Lord JESUS, will any repent or be willing to repent?) "THERE ARE NONE EITHER ABLE BECAUSE OF PRIDE OR WILLING BECAUSE OF REBELLION AGAINST ME WHO CAN, WOULD OR COULD REPENT. IF THEY KNEW THEY NEEDED TO REPENT, AND THAT THEY DO NOT KNOW, EVEN THEN THEY ARE NOT ABLE OR WILLING TO REPENT. THEY ARE A DEAD PEOPLE ALREADY AND IT IS THEIR UNBELIEF AND AN EVIL HEART OF UNBELIEF THAT LEADS THEM TO DESTRUCTION.

So as JESUS has shown, the church system of man in America is 90% or better! Less than 10% have CHRIST as their true LORD, true Friend! You, the Church I address at this time know of this also for I have heard you preach on this subject. Does the majority turn the table? You are the arm of the Lord used to expose the emergent church and feel good gospel plaguing our nation, our people. Sad they do not know how Lucifer gets his grounds to operate! You all know, more so than I about this new theology, for I do not travel from church to church. I have not seen first-hand the incomplete Gospel.

I'm so fortunate God has drawn me to the Ministries I bring forward and those I address.

More from Chuck-JOHNEL,

STANDING ASIDE JULY 12, 2001: That we did and the effect of it was as horrific as we discerned it would be (blood running ankle deep on September 11, 2001), even so, it was easy to forget how it was able to happen. When the church decision of North America, as represented by every Pastors in Spokane utterly rejected JESUS' Word (zero response), this led to us being required to "stand aside" of the nation. The initial consequences of that church decision and action were seen starting September 11, 2001 - when thousands perished and as a result the U.S. Stock Market took a \$6 Trillion dollar loss, the economy slipped into a deep recession, millions lost their jobs and this nation found itself at war.

When we stood aside July 12, 2001 the "mercy shield" for the nation at large dropped off and the nation generally became vulnerable when before it was protected.

Yet as horrific as this was it was not nearly as bad as it might have been except for the fact that the "mercy shields" for the church itself remained in place. This is why there was also visible mercy in the picture, and while much was exposed to judgment not all was. Because the "mercy shields" for the Church remained in place (we did not "stand aside" here) many were spared and through prayer many more were saved out of the hands of death.

The Church, as I'm given to understand it, has several distinct divisions which have little to do with the more obvious denominational divisions, these being:

1. THE CHURCH SYSTEM OF MAN: This is the largest portion of "The Church" and consists of those who have man as Lord, not Jesus as Lord. These have salvation, they believe on the Lord Jesus Christ but they do not know Him.

2. THOSE HAVING JESUS AS LORD: This is a much smaller portion of the Church, perhaps 10% or less of the whole and these are divided into several different categories, these being:

a. The Elect: Those who are called of God to prepare for JESUS' Return.

b. The Sealed: Those who have received the Seal of the Living God.

c. The Faithful-Obedient: Those who have sought to be obedient and faithful to the Lord to the best of their ability.

d. The Innocent children of God: Those who are babes in Christ.

3. THE "A LOUD VOICE": This a very hidden part of the Body of Christ springing from both the Elect and Faithful-Obedient (who are also very likely to be Sealed). These are those who will come to manifest Christ in themselves and be transformed by the Spirit of God in His likeness and image, who will be raised up to accomplish the completion of preparing for Jesus' Return. I come to you begging for a decision. A decision by you led by fasting and prayer. I'm asking you to bring this truth to your congregation sharing the LORDS WORDS as revealed by our brothers. Put this all in perspective and you can see this is not a judgement on us, those who Love The Lord seeking his face, wanting His way in our life or simply those who love Him, truly. This is a direct effect to those, the church of Christ, of the decision to reject Gods Glorious Light, His begotten Son JESUS.

I beg of you for a thorough review with time spent; for it is also apparent that many Watchmen have given their lives (time spent) to warn and stand in the gap for God's people, bearing the burden of the body of Christ. I ask that we honor each other, in all grace and humility.

We argue over giants, aliens, angels, angel genitals, demons, hell, Sethite view, Nephilim, pre_post and mid tribulation, rapture, modern-day Apostles, Prophets, gifts of the spirit etcetera, while knowing and seeing the planned genocide of this country. Many of you all know many aspects to what I'm calling about. Even so, We still divide the church with a blessed hope of being caught up.

I don't believe most of your congregations knows or understands the enemy, it's very difficult without divine revelation. They don't have in detail what Satan's legions are doing, what Lucifer is up to, which demons and princes are involved in the events materializing in this world. We can have this and more so I ask; Why would we reject these resources?

We, if anybody knows'; that there is a whole church system of man whose heart is not for Jesus. Many of you preach on this from time to time and for some of us, same as you; it is not hard to see for ourselves. So, whom is it, I am addressing, The churches that are fleecing the flock and are antiChrist, God forbid. I know this is not whom I address, so what is the argument between those I Love. The Watchmen and the Pastors. Forgive us Lord.

We are about to lose a great deal of people to the hordes of hell if we cannot come to a decision. The decision is that you bring the body of Christ to them that teach to prepare and endure. Edifying your congregation. I don't see it as a bad time that we come to be one Church and physically proclaim the situation nationwide as one agenda. We have troops mobilizing for our detention for God sake. Why? Please review this update and this site. You preach Spiritual Warfare, is this not what you talk about? http://netofprayer.org/blog/update_march_2012_august_2012/

Only The Father Knows what needs to be Spoken into Your Hearts to open the Light within. I ask you, make SURE your eyes are open for many lives are at stake. I cannot say a word that changes all things within your control (congregation). I introduce you to this website (netofprayer.org) created to bring to You Personally the truth of things present, past and future. This is out of my hands beyond this. Please take the time for a thorough review, to be fare; a review of others who claim to be of Christ just the same as You; Those of Whom I address.

Please, Please do not attack the ministries I have put on this site or attack any individual such as Chuck-JOHNEL. I bring this forward of my own accord as led by JESUS. Please aim your fiery arrows at me if any. Simply walk away. Please; if this is your intention. Thank You, Your Brother in CHRIST. <http://issuu.com/netofprayer/docs/the-church-leaders-let-wormwood-in->

CONTINUE LABOR OF LOVE IN PRAYER

When we pray the Unity Prayers we are literally coming before GOD THE FATHER 'In The Spirit' with our requests and petitions, and we have seen His powerful answers many ways.

This sketch depicts the primary reason why the enemy is so powerful: rebellion, prayerlessness, rejection of JESUS' Word, and sin feeds demons, empowers them. It is no laughing matter, it is deadly serious.
